Meeting Minutes:
1 We had a discussion about the Open Source content management system called Joomla. We decided to join the forum in Joomla.org
2 We came across an interesting Joomla tutorial. It also had User Manual and Installation Manual.
3 We also uploaded our project webpage on the Web Server.
4 We had questions about Apache, Linux and decided to ask the Mentor in the next mentor meeting
5 We wanted a more detail requirement specification, so decided to ask the mentor in the next mentor meeting.
6 We were unable to access the site demonstrations in Joomla.org because it said that the site demonstration is currently offline and unavailable.
7 We had a brief discussion about the possible architecture diagram for the system.
