

# **Team Nexus**

## **Minutes of Meeting – 10/21**

- Gather more knowledge on “Covered-Call Strategies”.
- Explore different factors that can affect Covered-Call Strategies.
  - e.g
    - Delta ,
    - Gamma ,
    - Theta ,
    - IV (Implied Volatility)
- Discuss few strategies with our mentors for their understanding and showcase our learning on that week.

### **Next Sprint Plan:**

- Start working on Development of AGENT 2 ( Recommendation Engine ) for strategies to define.
- Basic color grading on grid based on premiums for each stock listed on Options Data Grid.
- Meanwhile ,we'll start working on “Final Report” & “Poster Presentation”.
