CSCI 5333.1 DBMS
Fall 2021
Homework #0

Communications

The purpose of this assignment is to construct an effective email communication channel between you and your TA. It also allows me to have a high-quality photo of you.

Send an email to the TA. The subject heading should be CSCI 5333.1, H0:<<Your name>>;<<Your Student ID>>;<<Your major>**>**

For example:

Subject: CSCI 5333.1, H0:Jane Smith;0011098;CS

Please do the following in the email:

1. Attach a recent photo of *high* quality of yourself of *exactly* 300 pixel width and 450 pixel height. It should be similar to a passport photo. The image format should be either jpeg, gif or png.

Make sure that you use UHCL email address in your communications with the TA and me. Email addresses other than UHCL may be filtered by UHCL spam filter server.

Do *not* copy to the instructor.

There is no grade for the assignment.

This assignment is submitted through email. *All future homework assignments will be submitted through Blackboard.*
