Homework #0 EMail Communication with TA and Photos

Send an email to the TA, kaveripakamn7556@uhcl.edu. The subject heading should be <<class_section>>;<<Your name>>;<<Your Student ID>>. For example:

Subject: CSCI4333.1 Jane Smith;0011098

In the email, please attach a recent photo of high quality of yourself of *exactly* 300-pixel width and 450-pixel height. It should be like a *passport-style* photo, with mostly only you in the photo. The image format should be either jpeg, gif or png. The email does not need to have a body.

Make sure that you use an email address you frequently check. Do *not* copy your email or homework to the instructor. This email is to establish an effective communication channel between you and the TA, and help us to better communicate with you. *Thank you.*
